---	--

In accordance with the Data Protection Act, we only keep data that is necessary for our association activities. Your information will be held on paper and on a computerised database. It will be used for Alsager Gardens Association (AGA) business and communications. As a member of the AGA, you will automatically be affiliated to the National Allotment Society (NAS) and receive full membership benefits.

We will only share your information with people and organisations necessary to carry out the AGA activities; this includes sharing your data with officers of our committee; communication between committee members and other members as part of the daily running of the Association; notifications of meetings and minutes of those meetings; the provision of catalogues and The National Allotment Society for Membership purposes and Insurance. Details of the NAS and their Data Protection Statement, your rights and how they use your data can be found at <https://thenas.org.uk/>.

**By signing this form, you are giving your consent to our sharing of your data for these purposes. For details of our Data Protection and Privacy Statement please go to the AGA website.**

Site and Plot Number Or Not Applicable
